Re: Frontgate/Bluffdale Project

Dear Paul,

Please let this serve as a request for a 14 day extension on the completion of the reclamation plan. Bluffdale City should issue the final approval for the development agreement tomorrow evening, at which time we can finalize that plan. Submitting a plan prematurely may cause us to change or severely modify based on the final development agreement that should be issued tomorrow.

Please contact me with any additional questions.

Tom Gyuro
